According to its market research, nearly 80% of UK households own at least one of the Group's products.

Ultimate Products sells to over 300 retailers in over 30 countries - spanning discounters, supermarkets and general retailers, and ranging from large national and international multi-channel retailers to smaller retail chains. Its products are also available on Salter.com and Beldray.com, as well as major third-party online marketplaces. The Group specialises in five product categories: Small Domestic Appliances; Housewares; Laundry; Audio; and Heating and Cooling. Other UP brands include Progress (cookware and bakeware), Kleeneze (laundry and floorcare), Petra (small domestic appliances) and Intempo (audio).

Founded in 1997, Ultimate Products is headquartered in Oldham, Greater Manchester, where it has design, sales, marketing, buying, quality assurance, support functions and warehouse facilities across two sites. Manor Mill, the Group's head office, includes a spectacular 20,000 sq ft showroom that showcases each of its brands. In addition, the Group has an office and showroom in Guangzhou, China and Paris, France. Ultimate Products employs over 300 staff and is certified as a Great Place to Work®. A significant number of its employees joined via the Group's Graduate Development Scheme, one of the biggest in the North West.
