East Star Resources Plc

("**East Star**" or the "**Company**")

New Interactive Investor Hub

East Star Resources launches new interactive investor hub to provide shareholders with a more proactive way of communication and enquiry support

East Star Resources Plc (LSE: EST), the Kazakhstan-focused gold and copper explorer, announces the launch of its interactive Investor Hub. For both existing and prospective shareholders, the new investor hub brings all of East Star's content into a single integrated platform to better inform and engage with investors and stakeholders, including:

- Regulatory announcements
- Reports
- Presentations
- Educational material
- Interviews
- Corporate research

The Investor Hub also provides an interactive online experience allowing the East Star stakeholders to comment on and ask the East Star team questions via a portal which will be monitored and responded to in a timely manner.

How to sign up for the East Star Investor Hub:

- Visit: https://est-l.investorhub.com/s/b4c089
- Follow the prompts to sign up for an investor hub account
- Complete your account profile

Alex Walker, CEO of East Star, commented:

"East Star is active in one of the world's most prospective mining regions for copper and gold. As we continue to progress our assets and unlock their underlying value, maintaining clear and consistent communication with our shareholders remains a key priority.

The launch of our Investor Hub marks an important step in enhancing our engagement with the market - offering a dedicated platform for investors to access timely updates, operational insights, and key milestones as we deliver on our strategy. This initiative underscores our commitment to transparency, accountability, and fostering long-term relationships with shareholders who share our vision for East Star Resources' growth and future success."

Engage with the East Star management team directly by asking questions, watching video summaries and seeing what other shareholders have to say. Navigate to our interactive Investor Hub here: https://eaststarplc.com/link/yzY40P

About East Star Resources Plc

East Star Resources is focused on the discovery and development of copper and gold in Kazakhstan. The Company is pursuing multiple exploration strategies including:

- A joint venture with Hong Kong Xinhai Mining Services Limited to take the Verkhuba Deposit (20.3Mt @ 1.16% copper, 1.54% zinc and 0.27% lead) into production (at no further cost to East Star) with East Star retaining 30% ownership in production
- A second VMS Exploration Target with up to 23Mt @ 2.4% copper equivalent in the same region, with numerous other targets being advanced to drill-ready status
- A $25 million+ strategic gold exploration joint venture with Endeavour Mining
- Tier 1 potential copper porphyry targets and epithermal gold targets in a proven copper porphyry and epithermal belt
