East Star Resources Plc
("East Star" or the "Company")

Invitation to Private Shareholders for Drinks & Q&A with CEO

Alex Walker, CEO of East Star (LSE: EST), the Kazakhstan-focused gold and copper exploration and development company, invites private shareholders for drinks and Q&A in central London on Thursday, 11 June 2026 at 2.45 p.m. BST.

East Star is advancing a portfolio of high-quality copper and gold projects across Kazakhstan, anchored by a maiden JORC mineral resource estimate of 20.3Mt at its Verkhuba VMS copper development in an infrastructure-rich region, as well as a strategic joint venture with Endeavour Mining targeting major gold discoveries.

The occasion is a chance to discuss how East Star is progressing these projects towards meaningful value inflexions, with strong exploration pipelines across its VMS and porphyry assets, and a copper JV agreement recently signed with Xinhai Mining adding further momentum to the Company's growing portfolio.

Attendance is strictly by RSVP. Please email eaststar@vigoconsulting.com to register your attendance and to be provided with details of the location.

About East Star Resources Plc

East Star Resources is focused on the discovery and development of copper and gold in Kazakhstan. The Company is pursuing multiple exploration strategies including:

- A joint venture with Hong Kong Xinhai Mining Services Limited to take the Verkhuba Deposit (20.3Mt @ 1.16% copper, 1.54% zinc and 0.27% lead) into production (at no further cost to East Star) with East Star retaining 30% ownership in production
- A second VMS Exploration Target with up to 23Mt @ 2.4% copper equivalent in the same region, with numerous other targets being advanced to drill-ready status
- A \$25 million+ strategic gold exploration joint venture with Endeavour Mining
- Tier 1 potential copper porphyry targets and epithermal gold targets in a proven copper porphyry and epithermal belt
