CleanTech Lithium PLC ("CleanTech Lithium", "CTL" or the "Company")

Fundraising and Conversion of Loan Notes

CleanTech Lithium PLC (AIM: CTL), an exploration and development company advancing sustainable lithium projects in Chile, announces its intention to raise approximately £4.5 million by way of a placing of new ordinary shares of £0.02 each ("**Ordinary Shares**") to be conducted by way of an accelerated bookbuild ("**ABB**") and a retail offer to raise approximately £0.25 million.

Highlights:

- The Company intends to raise approximately £4.5 million (before expenses) by way of a firm placing and conditional placing of new Ordinary Shares (the "**Placing Shares**") at a price of 6 pence per new Ordinary Share (the "**Issue Price**") by way of an accelerated bookbuild (the "**Placing**"), consisting of:
    - **Firm Placing**: 39,170,424 Placing Shares at the Issue Price to raise approximately £2.35 million (the "**Firm Placing Shares**"); and
    - **Conditional Placing**: 35,829,576 Placing Shares at the Issue Price to raise a further approximately £2.15 million (the "**Conditional Placing Shares**"), subject to the passing of the Resolutions at a general meeting of the Company ("**General Meeting**").
- The Company has also granted a bookrunner option to CAL Investments Limited (trading as Fox-Davies Capital) ("**FDC**"), pursuant to which approximately an additional £0.6 million (before expenses and which can be increased at FDC and the Company's discretion) can be raised at the Issue Price until 5.00 p.m. on 19 June 2026 (the "**Bookrunner Option**"), again subject to the passing of the Resolutions at the General Meeting.
- Furthermore, subject to the passing of the Resolutions, the Company also intends to make a retail offer to raise approximately an additional £0.25 million (before expenses) via the Winterflood Retail Access Platform ("**WRAP**") to new retail investors and existing shareholders of the Company (the "**Retail Offer**") at the Issue Price details of which, including the timetable, will be announced separately.
- The Company's Chairman, Steve Kesler, has agreed that his accrued director's fees, totalling £276,273, will be used to subscribe for 4,604,550 new Ordinary Shares (the "**Subscription Shares**") at the Issue Price (the "**Subscription**", together with the Placing, Bookrunner Option and Retail Offer, the "**Fundraising**").

- As part of the Fundraising, the Fundraising Shares shall carry a warrant entitlement of one warrant for every two Fundraising Shares subscribed for (the "**Warrants**"). Each Warrant grants the holder the right to subscribe for one new ordinary share at a price of 9 pence, at any time from one year after the date of Second Admission until up to and including the date which is three years from the date of Second Admission.
- It has been agreed with the CLN Holders that, conditional on First Admission, the outstanding amounts, the premium accrued thereon, as well as the premium that would accrue to 30 June 2026 (the "**Maturity Date**") in aggregate amounting to AUD 5,064,778 plus £758,022 shall be fully converted into 64,464,675 new Ordinary Shares (the "**Conversion Shares**") in accordance with the conversion terms of the Loan Notes announced on 11 August 2025.
- The net proceeds receivable by the Company pursuant to the Fundraising will be used to fund licence acquisition costs at Laguna Verde, commence crucial environmental impact assessment ("**EIA**") works which are now critical path, support ongoing refinement of direct lithium extraction ("**DLE**") processes, engineering configurations and trade-off analysis for CAPEX and OPEX optimisations, ASX dual-listing costs, as well as for working capital needs whilst a strategic partner is selected.
- Following consultation with its major Shareholders, the Board is proposing to grant options over, in aggregate, 19,966,431 Ordinary Shares to Directors and Senior Management. Details of these proposals will be announced separately.

Ignacio Mehech, Chief Executive Officer, CleanTech Lithium PLC, said:

"When I joined the company a year ago, the Board´s mandate was clear: to de-risk Laguna Verde and advance the project into the development stage. Today, we are two crucial milestones closer with the agreement of terms of the Special Lithium Operating Contract ("**CEOL**") with the Chilean Mining Ministry and the completion of our Pre-Feasibility Study ("**PFS**").

Now, our focus moves towards the next steps needed to reach a Final Investment Decision ("**FID**"), which are the recommencing of the EIA and the initial studies required to begin the Definitive Feasibility Study ("**DFS**"). These activities cannot wait until we have selected our strategic partner and we don't want progress to stall, which is why we believe this fundraising is a necessary and pragmatic step that adds value to the Company's development.

The conversion of the Loan Notes is another positive and essential step for the Company aimed at strengthening the balance sheet. We believe that removing the debt burden is needed, not only ahead of progressing the proposed ASX listing but to position the Company attractively for potential strategic partners. The fact that the CLN Holders have chosen to convert their Loan Notes to equity is, in my view, a strong endorsement in the Company's strategy and long-term potential value.

Our selection of a strategic partner is also well underway, with several major industry players already in our data room having signed NDAs. The results of the PFS and the CEOL news came at the right time and have helped attract significant interest, while the wider lithium industry is also moving in our favour. Lithium carbonate prices are at their highest level in over 18 months, and recent M&A activity across the sector reflects a major shift in industry sentiment.

We believe the Company is now very well positioned to capitalise on this sentiment, with a high-quality project backed by the PFS, an agreement of CEOL terms with the Chilean Mining Ministry that allows us to begin: the EIS preparation, an ASX listing process that we believe will open up new opportunities and a broader market presence and the search for a strategic partner to provide the support required to move Laguna Verde through FID and into construction. The next few months should be very busy, so I would like to take the opportunity to again thank existing shareholders for your continued support."

Fundraising

The Company is planning to raise approximately £4.5 million via the Placing, up to £0.6 million (which can be increased at FDC and the Company's discretion) via the Bookrunner Option and approximately £0.25 million via the Retail Offer at the Issue Price.

The Placing will be conducted by way of an ABB, which will be launched immediately following release of this Announcement and will be made available to new and existing eligible institutional investors. The Placing is subject to the Terms and Conditions set out in Appendix 1 to this Announcement. FDC is acting as sole bookrunner ("**Bookrunner**").

The Fundraising includes the following elements:

- A Placing which is being conducted in two tranches to raise gross proceeds of approximately £4.5 million with:
  - the first tranche being a firm placing of 39,170,424 Firm Placing Shares to raise approximately £2.35 million, such number being the maximum permitted within the Company's existing share authorisation limits given at the Annual General Meeting of the Company held on 22 December 2025 (the "**Firm Placing**"); and
  - the second tranche, which shall be subject to the passing of the Resolutions, being a conditional placing of the Conditional Placing Shares, to raise approximately £2.15 million (the "**Conditional Placing**").
- A Bookrunner Option of up to 10,000,000 Bookrunner Option Shares, to raise gross proceeds of up to £0.6 million (which can be increased at FDC and the Company's discretion), subject to the passing of the Resolutions.
- A Retail Offer to raise gross proceeds of approximately £0.25 million, subject to the passing of the Resolutions, details of which, including the timetable, will be announced separately.
- A proposed Subscription for 4,604,550 Subscription Shares at the Issue Price to settle certain amounts owing to the Company's Chairman, Steve Kesler, subject to the passing of the Resolutions. Steve Kesler has confirmed his

intention to participate in the Subscription, and a further announcement is expected to be made on this by the Company following the announcement of its financial results for the year ended 31 December 2025, which are expected to be released in the next couple of weeks; and

- The Fundraising is being conducted at the Issue Price of 6 pence, which represents a discount of approximately 26 per cent. to the closing share price on AIM of 8.15 pence per Ordinary Share on 3 June 2026, being the last practicable date prior to publication of this Announcement.

The Fundraising Shares shall carry a warrant entitlement of one Warrant for every two Fundraising Shares subscribed for. The grant of the Warrants is conditional upon the passing of the Resolutions and JFSC Consent being obtained. Each Warrant grants the holder the right to subscribe for one new ordinary share at a price of 9 pence, at any time from one year after the date of Second Admission until up to and including the date which is three years from the date of Second Admission. The Warrants will be constituted by and subject to the terms and conditions contained in a warrant instrument to be entered into by the Company.

The Placing is being conducted by way of an ABB, which will be launched immediately following this Announcement and will be made available to eligible institutional investors on the terms and conditions set out in Appendix 1 to this Announcement. The ABB is expected to close no later than 8.00 a.m. on 5 June 2026. However, FDC and the Company reserve the right to close the ABB earlier or later, without further notice.

The Conditional Placing, the Bookrunner Option, the Retail Offer, the Subscription and the grant of the Warrants and the Bookrunner Warrants will be conditional on the passing of the Resolutions at the General Meeting. Following the close of the ABB the Company expects to publish a circular to convene the General Meeting on or about 8 June 2026 ("**Circular**").

Use of Proceeds

The net proceeds of the Placing will be used to fund licence acquisition costs at Laguna Verde, commence crucial EIA works which are now critical path, support ongoing refinement of DLE processes, engineering configurations and trade-off analysis for CAPEX and OPEX optimisations, ASX dual-listing costs, as well as for working capital needs whilst a strategic partner is selected. The net proceeds from the Retail Offer as well as the Bookrunner Option (if exercised) shall be applied in the same way.

The Bookrunner Option

In addition to the Placing, the Company has granted a Bookrunner Option to FDC pursuant to the Placing Agreement in order to enable FDC to deal with any additional demand in the event that requests to participate in the Placing are received during the period from the date of the publication of the announcement confirming the close of the ABB until 5.00 p.m. on 19 June 2026 from Relevant Persons (as defined in Appendix 1 to this Announcement). The primary purpose of the Bookrunner Option, which is offered to existing institutional shareholders, is to deal with demand from those investors who did not participate in the Placing or could not be reached immediately as part of the ABB. The Bookrunner Option is exercisable by FDC up until 5.00 p.m. on 19 June 2026 and is subject to the terms and conditions set out in Appendix 1 to this Announcement.

Any Bookrunner Option Shares and Warrants will be issued on the same terms and conditions as the Placing Shares and the Warrants, which are set out in Appendix 1 to this Announcement, and will comprise up to 10,000,000 new Ordinary Shares.

The Bookrunner Option may be exercised by FDC in its absolute discretion, but there is no obligation on FDC to exercise the Bookrunner Option or to seek to procure subscribers for any Bookrunner Option Shares and the attached Warrants from investors pursuant to the Bookrunner Option.

The Bookrunner Option, if exercised, will raise up to £0.6 million (before expenses) and may be increased at FDC and the Company's discretion. The issue of the Bookrunner Option Shares and Warrants is conditional on, *inter alia*, the passing of the Resolutions and First Admission becoming effective.

Bookrunner Warrants

As consideration for its services in connection with the Placing, the Company intends to grant FDC with warrants over such number of Ordinary Shares so as to be equal to between 6 and 7.5% of the Placing Shares and Bookrunner Option Shares issued (the "**Bookrunner Warrants**"). The Bookrunner Warrants will be exercisable at a price equal to the Issue Price up until five years from the date of Second Admission. Grant of the Bookrunner Warrants is conditional inter alia upon the passing of the Resolutions at the General Meeting.

Loan Note Conversion

On 1 July 2024, the Company announced it had secured commitments from several investors to raise approximately £2.1 million through the issue of the Loan Notes.

On 11 August 2025, the terms of the Loan Notes were amended, including to extend the maturity date to 30 June 2026 and provide for a premium of 12% per annum to be payable on redemption or conversion of the Loan Notes. The amounts outstanding to the CLN Holders (including principal, premium and fees) were capitalised to become the new principal amount payable under the Loan Notes as follows:

- AUD $4,813,081; and

- GBP £689,351.

On 3 November 2025, the Company announced that it had redeemed £105,000 of the Loan Notes.

Pursuant to the Conversion Notices received from CLN Holders prior to the date of this Announcement, the Company has agreed with the CLN Holders that, in addition to the premium which had accrued on the Loan Notes up to the date of the Conversion Notices, the CLN Holders would also be entitled to convert any premium which had accrued thereon up to the

Maturity Date (being 30 June 2026). The Conversion Notices include an election from the CLN Holders to convert all such accrued and to be accrued premium.

The total amount to be converted pursuant to the Conversion, amounts to AUD 5,064,778 plus £758,022 in aggregate. The Conversion Shares shall be allotted and issued to the CLN Holders pursuant to existing authorities granted to the Directors on 29 August 2025 to allot the Conversion Shares on a non-pre-emptive basis.

The Conversion will result in the issue of 64,464,675 Conversion Shares in aggregate to the CLN Holders representing 31.5 per cent. of the **Existing Issued Share Capital** and 20.9 per cent. of the **First Enlarged Share Capital**.

Pursuant to the Conversion, Regal Funds Management Pty Limited (as trustee for the Regal Emerging Companies Opportunities Fund) ("**Regal**") a significant shareholder in the Company, shall be allotted 47,003,253 Conversion Shares. As at the date of this Announcement, Regal is interested in 16,730,582 Ordinary Shares in the Company (representing 8.2 per cent. of the Existing Issued Share Capital) and, following the Conversion will be interested in 63,733,835 Ordinary Shares in the Company (representing 20.7 per cent. of the First Enlarged Share Capital).

As a result of Regal's substantial shareholding in the Company, the Company has agreed to grant Regal the right to appoint either a non-executive director of the Company or an observer to the board of the Company for so long as it continues to hold, in aggregate, 10 per cent. or more of the entire issued share capital of the Company (the "**Appointment Right**").

IMPORTANT INFORMATION FOR PLACEES ONLY REGARDING THE PLACING

Bookbuild

Following the release of this Announcement, the Bookrunner will commence an accelerated bookbuilding process ("**Accelerated Bookbuild**") to determine demand for participation in the placing of the Placing Shares and Warrants by Placees at the Issue Price, and, subject to the exercise of the Bookrunner Option a further bookbuild ("**Bookrunner Option Bookbuild**") in respect of the Bookrunner Option Shares and Warrants (together the "**Bookbuilds**"). The books will open with immediate effect following release of this Announcement. Members of the public are not entitled to participate in the Placing. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing.

The Bookrunner and the Company shall be entitled to effect the Placing by such alternative method to the Bookbuilds as they may, in their absolute discretion, determine.

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local measures implementing retained EU law (as defined in section 6(7) of the European Union (Withdrawal) Act 2018) in the United Kingdom) (**"Retained MiFID Provisions"** (together, the "**MiFID II Product Governance Requirements**")) and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the New Ordinary Shares and Warrants have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II and the Retained MiFID Provisions; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II and the Retained MiFID Provisions (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the New Ordinary Shares and the Ordinary Shares that are subject to the Warrants may decline and investors could lose all or part of their investment; the New Ordinary Shares and Warrants offer no guaranteed income and no capital protection; and an investment in the New Ordinary Shares and Warrants is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Bookrunner will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II or the Retained MiFID Provisions; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Ordinary Shares and Warrants.

Each distributor is responsible for undertaking its own target market assessment in respect of the New Ordinary Shares and Warrants and determining appropriate distribution channels.

Details of the Placing Agreement, the New Ordinary Shares and Warrants

The Bookrunner has entered into an agreement with the Company (the "**Placing Agreement**") under which, subject to the conditions set out therein, the Bookrunner has agreed, as agent for the Company, to use its reasonable endeavours to procure Placees for the Placing Shares at a price of 6 pence per Placing Share (the "**Issue Price**") and as set out in the Placing Agreement. The Bookrunner is acting as the Company's agent in connection with the Placing. In addition, the Company has granted a Bookrunner Option to FDC to place up to 10,000,000 Bookrunner Option Shares at the Issue Price if there is additional demand.

Subject to the Resolutions being passed at the General Meeting and JFSC Consent being obtained, for every Placing Share subscribed for, the Placee will also be granted one Warrant. Each Warrant will entitle the subscriber to subscribe for one Ordinary Share at a price of 6 pence per Ordinary Share at any time from one year after the date of Second Admission until up to and including the date which is 3 years from the date of Second Admission. The Warrants will be unlisted, and no application will be made for the Warrants to be admitted to trading on AIM or any other stock exchange. For the avoidance of doubt, if the Resolutions are not passed or JFSC Consent is not obtained, no Warrants will be granted.

The Placing Shares will be allotted and issued in two tranches:

1. the first tranche will be up to a maximum of 39,170,424 Firm Placing Shares utilising the Company's existing share issue authorities and shall be allocated between Placees as determined by Fox Davies at its sole discretion (the "**First Tranche**"); and
2. the Conditional Placing Shares, being the balance of the Placing Shares not issued in First Admission plus to the extent the Bookrunner Option is exercised any Bookrunner Option Shares will be allotted and issued conditional upon (inter alia) the passing of the Resolutions at a General Meeting ("**Tranche 2**", and each of Tranche 1 and Tranche 2 being a "**Tranche**").

The number of Placing Shares and Warrants will be determined following completion of the Accelerated Bookbuild and set out in the placing supplement agreement to be entered into between Bookrunner and the Company (the "**Placing Supplement Agreement**"). The final number of Placing Shares and Warrants and their allocations will be decided at the close of the Accelerated Bookbuild. The timing of the closing of the Accelerated Bookbuild will be at the discretion of the Company and the Bookrunner. Details of the number of Placing Shares and Warrants will be announced as soon as practicable after the close of the Accelerated Bookbuild.

Each Placee who agrees to subscribe for Placing Shares and Warrants in the Placing, and whose participation is confirmed by the Bookrunner, will have their allocation of Placing Shares and Warrants split between Tranche 1 and/or Tranche 2 in such proportions as the Bookrunner may determine, in their absolute discretion.

If the Bookrunner elects to exercise the Bookrunner Option, the number of Bookrunner Option Shares and the attached Warrants will be determined following completion of the Bookrunner Option Bookbuild and set out in the notice of exercise of the Bookrunner Option. The final number of Bookrunner Option Shares and Warrants and their allocations will be decided at the close of the Bookrunner Option Bookbuild. The timing of the closing of the Bookrunner Option Bookbuild will be at the discretion of the Company and the Bookrunner. Details of the number of Bookrunner Option Shares and Warrants will be announced as soon as practicable after the close of the Bookrunner Option Bookbuild.

In accordance with the terms and subject to the conditions in the Placing Agreement, the Placing is not being underwritten by the Bookrunner or anyone else, and in the event that subscribers are not obtained for all or any of the New Ordinary Shares and Warrants or in the event of a default to make payment by any subscribers procured by the Bookrunner, there will be no obligation on the Bookrunner to subscribe for any New Ordinary Shares or Warrants.

The New Ordinary Shares have been or will be duly authorised and will, when issued, be credited as fully paid and will rank *pari passu* in all respects with the existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid in respect of the Ordinary Shares after the date of issue of the New Ordinary Shares. The New Ordinary Shares and Warrants will be issued free of any encumbrances, liens or other security interests.

1. First Admission will take place at 8.00 am (London time) on 10 June 2026, or such later date as may be agreed between the Company and the Bookrunner, provided that such date is no later than 8.00 am (London time) on the Long Stop Date; and
2. Subject to the passing of the Resolutions at the General Meeting, Second Admission will take place at 8.00 am (London time) on 2 July 2026, or such later date as may be agreed between the Company and the Bookrunner, provided that such date is no later than 8.00 am (London time) on the Long Stop Date.

All Warrants corresponding to the Placing Shares and the Bookrunner Option Shares (if any) shall be granted on Second Admission and such grant is conditional on the passing of the Resolutions at the General Meeting and JFSC Consent being obtained.

Participation in, and principal terms of, the Placing

1. The Bookrunner is arranging the Placing as agent of the Company. Participation in the Placing will only be available to persons who may lawfully be, and are, invited to participate by the Bookrunner. The Bookrunner and its affiliates

are entitled to enter bids as principal in the Bookbuilds.

2. The Bookbuilds, if successful, will establish the number of New Ordinary Shares and Warrants which will be included in the Placing. The number of Placing Shares and Warrants and the aggregate proceeds to be raised through the Placing will be agreed between the Bookrunner and the Company following completion of the relevant Bookbuilds.
3. To bid in the Bookbuilds, Placees should communicate their bid by telephone or in writing to their usual sales contact at the Bookrunner. Each bid should state the number of New Ordinary Shares which the prospective Placee wishes to acquire at the Issue Price. The New Ordinary Shares carry a Warrant entitlement of one Warrant for every two New Ordinary Shares subscribed for. Bids in the Bookbuilds may be scaled down by the Bookrunner on the basis referred to in paragraph 6 below. Each Placee who agrees to subscribe for New Ordinary Shares in the Placing, and whose participation is confirmed by the Bookrunner, will have their allocation of New Ordinary Shares split between Tranche 1 and/or Tranche 2 in such proportions as the Bookrunner may determine, in its absolute discretion.
4. The Accelerated Bookbuild is expected to close no later than 8.00 am (London time) on 5 June 2026, but may be closed earlier or later, at the absolute discretion of the Bookrunner. If the Bookrunner Option is exercised, the Bookrunner Option Bookbuild is expected to close no later than 5.00 pm (London time) on 19 June 2026, but may be closed earlier or later, at the absolute discretion of the Bookrunner. The Bookrunner may, in agreement with the Company, accept bids that are received after the Bookbuilds have closed.
5. Each Placee's allocation will be confirmed to Placees either orally or by email by the Bookrunner following the close of the relevant Bookbuild. Subject to paragraph 8 below, the Bookrunner's oral confirmation to such Placee will constitute an irrevocable legally binding commitment upon such person (who will at that point become a Placee) in favour of the Bookrunner (as an agent of the Company) and the Company, under which such Placee agrees to subscribe for the number of New Ordinary Shares and Warrants allocated to it and to pay the Issue Price for each such New Ordinary Share on the terms and conditions set out in this Appendix and in accordance with the Company's articles of association
6. Subject to paragraphs 2 and 3 above, the Bookrunner may choose to accept bids, either in whole or in part, on the basis of allocations determined at their discretion and may scale down any bids for this purpose on such basis as they may determine or be directed. The Bookrunner may also, notwithstanding paragraphs 2 and 3 above, (i) allocate New Ordinary Shares and Warrants after the time of any initial allocation to any person submitting a bid after that time, and (ii) allocate New Ordinary Shares and Warrants after the relevant Bookbuild has closed to any person submitting a bid after that time. The acceptance of offers shall be at the absolute discretion of the Bookrunner. If within a reasonable time after a request for verification of identity, the Bookrunner has not received such satisfactory evidence, the Bookrunner may, in its absolute discretion, terminate the Placee's Placing participation in which event all funds delivered by the Placee to the Bookrunner will be returned without interest to the account of the drawee bank or CREST account from which they were originally debited.
7. The allocation of New Ordinary Shares and Warrants to Placees located in Canada shall be conditional on the execution by each Placee of an investor representation letter or subscription agreement (in the form required by the Bookrunner).
8. A bid in the Bookbuilds will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the Placee on behalf of which it is made and, except with the Bookrunner's and the Company's consent, will not be capable of variation or revocation after the time at which it is submitted. Each Placee will also have an immediate, separate, irrevocable and binding obligation, owed to the Bookrunner, to pay it (or its assignee or as it may direct) in cleared funds an amount equal to the product of the Issue Price and the number of New Ordinary Shares that such Placee has agreed to acquire. Such Placees' obligations will be owed to the Bookrunner.
9. Except as required by law or regulation, no press release or other announcement will be made by either the Bookrunner or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.
10. Irrespective of the time at which a Placee's allocation(s) pursuant to the Placing(s) is/are confirmed, settlement for the New Ordinary Shares and Warrants to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and settlement".
11. All obligations under the Bookbuilds and the Placing will be subject to satisfaction, fulfilment or (where applicable) waiver of the conditions referred to below under "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Termination of the Placing Agreement".
12. By participating in a Bookbuild, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
13. To the fullest extent permissible by law, neither the Bookrunner, the Company nor any of their respective Affiliates shall have any responsibility or liability (including to the extent permissible by law, any fiduciary duties) to Placees (or to any other person whether acting on behalf of a Placee or otherwise). In particular, neither the Bookrunner, nor the Company, nor any of their respective Affiliates shall have any responsibility or liability (including to the extent permissible by law, any fiduciary duties) in respect of the Bookrunners conduct of the Bookbuilds or of such alternative method of effecting the Placing as the Bookrunner, its Affiliates and the Company may agree or determine.

Conditions of the Placing and Bookrunner Option

Each Tranche of the Placing is conditional upon the Placing Agreement becoming unconditional in respect of that Tranche of the Placing and not having been terminated in accordance with its terms. The Bookrunner's obligations under the Placing Agreement with respect to the Firm Placing Shares are conditional on certain conditions, including (without limitation):

1. Admission of the Firm Placing Shares having become effective;
2. the Company complying with its obligations under the Placing Agreement to the extent that the same fall to be performed prior to First Admission;
3. none of the warranties or undertakings provided by the Company in the Placing Agreement being or having become untrue, inaccurate or misleading at any time, and no fact or circumstance having arisen which would constitute a breach of any of the warranties or undertakings provided by the Placing Agreement, in each case, save to the extent that the Bookrunner consider, acting in good faith, that the relevant matter is not material in the context of the Placing or Admission; and
4. Admission of the Firm Placing Shares taking place on or around 8.00 am (London time) on 10 June 2026, or such later date as may be agreed in writing between the Company and the Bookrunner, being not later than 8.00 am

(London time) on the Long Stop Date.

The Bookrunner's obligations under the Placing Agreement with respect to the Conditional Placing Shares and the Bookrunner Option Shares (where the Bookrunner Option is exercised) are conditional on certain conditions, including (without limitation):

1. the Resolutions having been passed by the requisite majority at the General Meeting;
2. the Company allotting the Conditional Placing Shares and the Bookrunner Option Shares (if any) prior to and conditional only on Second Admission, in accordance with the terms of the Placing Agreement;
3. First Admission having become effective;
4. Admission of the Conditional Placing Shares and the Bookrunner Option Shares (if any) having become effective
5. Second Admission taking place on or around 8.00 am (London time) on 2 July 2026, or such later date as may be agreed in writing between the Company and the Bookrunner, being not later than 8.00 am (London time) on the Long Stop Date;
6. the Company complying in all material respects with all of its undertakings and obligations under the Placing Agreement and having satisfied all of the conditions to be satisfied by it, in each case under the terms of the Placing Agreement or under these terms, to the extent that the same fall to be performed prior to Second Admission; and
7. none of the warranties in the Placing Agreement having ceased to be true and accurate or having become misleading following the date of the Placing Agreement up to and including the date of Second Admission, in each case, as though they had been given and made on such dates by reference to the facts and circumstances then subsisting which, in the opinion of FDC (acting in good faith), is material in the context of the Placing and/or Second Admission.

If, in respect of either First Admission or Second Admission: (i) any of the conditions relating to that tranche contained in the Placing Agreement, including (without limitation) those described above, are not fulfilled or (where applicable) waived by the Bookrunner by the relevant time or date specified (or such later time or date as the Company and the Bookrunner may agree, being not later than 8.00 am on the Long Stop Date; or (ii) the Placing Agreement is terminated in the circumstances specified below under "Termination of the Placing Agreement", that tranche of the Placing, in respect of the Firm Placing Shares and/or Conditional Placing Shares, will lapse and the Placees' rights and obligations hereunder in relation to that tranche of Placing Shares as applicable shall cease and terminate at such time and each Placee agrees that no claim can be made by it in respect thereof.

The Bookrunner may, at its absolute discretion, waive fulfilment of all or any of the conditions in the Placing Agreement in whole or in part, or extend the time provided for fulfilment of one or more conditions (to the extent that the Bookrunner is permitted to waive such condition pursuant to the Placing Agreement). Any such extension or waiver will not affect Placees' commitments as set out in this Announcement. The Bookrunner may terminate the Placing Agreement in certain circumstances, details of which are set out below.

Neither the Bookrunner nor any of its Affiliates, nor any of its Affiliates' partners, directors, officers, employees, agents or advisers shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision it or another person may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision it may make as to the satisfaction of any condition or in respect of the Placing generally and by participating in the Placing each Placee agrees that any such decision is within the absolute discretion of the Bookrunner.

By participating in a Bookbuild, each Placee agrees that its rights and obligations hereunder terminate only in the circumstances described above and under "Termination of the Placing Agreement" below and will not be capable of rescission or termination by the Placee.

Termination of the Placing Agreement

The Bookrunner is entitled at any time before First Admission or Second Admission, to terminate the Placing Agreement in accordance with its terms in certain circumstances, including, *inter alia*, if:

1. any of the warranties contained in the Placing Agreement was not, or has ceased to be, true or accurate in any material respect, or was misleading, or would not be true, accurate or not misleading if then repeated, by reference to the facts subsisting at the time;
2. any statement contained in any of the Placing Documents (being the marketing presentation in relation to the Placing and the announcements in relation to the Fundraising) has become or been discovered to be untrue or inaccurate in any material respect or misleading or there has been a material omission therefrom; or
3. there has occurred, in the Bookrunner's or the Nominated Adviser's opinion, acting in good faith, a material adverse change in the business of the Company or in the financial or trading position or prospects of the Company which would, or would be likely to, prejudice materially the Company, the Placing or Admission; or
4. there have occurred certain market disruption or force majeure events, as specified in the Placing Agreement.

If the Placing Agreement is terminated after First Admission but prior to Second Admission, such termination shall be without prejudice to First Admission.

By participating in the Placing, each Placee agrees that its rights and obligations in respect of the Placing terminate only in the circumstances described above and under the "Conditions of the Placing and Bookrunner Option" section above and will not be capable of rescission or termination by it after oral confirmation by the Bookrunner following the close of a Bookbuild.

By participating in a Bookbuild, each Placee agrees with the Company and the Bookrunner that the exercise by the Company or the Bookrunner of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or the Bookrunner or for agreement between the Company and the Bookrunner (as the case may be) and that neither the Company nor the Bookrunner need make any reference to, or undertake any consultation with, Placees and that neither they nor any of their respective Affiliates', agents, directors, officers or employees shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise.

For the avoidance of doubt, termination or withdrawal of the Retail Offer shall not impact or prejudice the Placing. However, termination or withdrawal of the Placing (by termination of the Placing Agreement) will equally result in termination of the Retail Offer.

No prospectus

The New Ordinary Shares and Warrants that are being issued in relation to the Placing are being offered to a limited number of specifically invited persons (for the avoidance of doubt, this will be to fewer than 150 persons, all of whom are Relevant Persons) and will not be offered in such a way as to require any prospectus or other offering document to be published. No offering document, prospectus or admission document has been or will be prepared or submitted to be approved by the FCA (or any other authority) in relation to the Placing, or the New Ordinary Shares or the Warrants and Placees' commitments will be made solely on the basis of publicly available information taken together with the information contained in this Announcement.

Each Placee, by participating in the Placing , agrees that the content of this Announcement and the publicly available information released by or on behalf of the Company is exclusively the responsibility of the Company and confirms to the Bookrunner and the Company that it has neither received nor relied on any other information, representation, warranty, or statement made by or on behalf of the Company (other than publicly available information) or the Bookrunner or its Affiliates or any other person and neither the Bookrunner nor the Company, nor any of their respective Affiliates nor any other person will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received (regardless of whether or not such information, representation, warranty or statement was given or made by or on behalf of any such persons). By participating in the Placing, each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in making an offer to participate in the Placing. No Placee should consider any information in this Announcement to be legal, tax or business advice. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

Post-Admission Undertakings

The Company has, inter alia, undertaken to the Bookrunner that, except for the New Ordinary Shares, the Conversion Shares, any Ordinary Shares which may be subscribed by Directors in conjunction with the Placing, the Bookrunner Warrants, the Warrants, the grant and exercise of options pursuant to the option schemes, warrant agreements/instruments, agreements and arrangements previously disclosed to the market, Ordinary Shares issued in lieu of Director fees, three months following Admission of the New Ordinary Shares it will not issue any shares or other securities other than with the consent of the Nominated Adviser and the Bookrunner (acting in good faith), and save for an investment by a strategic partner, provided that the Company notifies the Nominated Adviser and the Bookrunner in advance of its intention to conduct such further investment.

By participating in the Placing, Placees agree that the exercise by the Nominated Adviser or the Bookrunner of any power to grant consent to waive such undertaking by the Company shall be within the absolute discretion of the Nominated Adviser and the Bookrunner and that they need not make any reference to, or consult with, Placees and that they shall have no liability to Placees whatsoever in connection with any such exercise of the power to grant consent.

Registration and settlement

Settlement of transactions in the New Ordinary Shares (ISIN: JE00BTJ01443) and the Warrants (ISIN: to be confirmed) following Admission will take place within the relevant system administered by Euroclear ("**CREST**"), using the delivery versus payment mechanism, subject to certain exceptions. Subject to certain exceptions, the Bookrunner and the Company reserve the right to require settlement for, and delivery of, the New Ordinary Shares and Warrants to Placees by such other means that they deem necessary if delivery or settlement is not practicable in CREST within the timetable set out in this Announcement or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

Each Placee agrees that it will do all things necessary to ensure that delivery and payment for any New Ordinary Shares and Warrants is completed either (a) in accordance with either the standing CREST or certificated settlement instructions that it has in place with the Bookrunner; or (b) if there are no standing CREST of certificated settlement instructions in place with the Bookrunner, in accordance with such CREST or (if agreed with the Bookrunner) certificated settlement instructions provided in writing by the Placee to the Bookrunner.

Subject to the paragraph below, the Company will deliver the relevant New Ordinary Shares and Warrants in accordance with the Placing Agreement, to a CREST account operated by the Bookrunner as agent for the Company and the Bookrunner will enter its delivery (DEL) instruction into the CREST system. The Bookrunner will hold any New Ordinary Shares and Warrants delivered to this account as nominee for the relevant Placees procured by it. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant New Ordinary Shares to that Placee against payment.

If agreed in advance between a Placee ("**Certificated Placee**") and the Bookrunner and notified in advance by the Bookrunner to the Company, the Company will (subject to the remainder of this paragraph) arrange for delivery of a share certificate in the name of the Certificated Placee for the relevant New Ordinary Shares and/or Warrants. Funds must be received by the Bookrunner from the Certificated Placees at least three days prior to the date of Admission. Subject to receipt of the relevant funds by the Bookrunner and subject and conditional upon Admission, the Company shall arrange for delivery of the relevant share certificate to the relevant Certificated Placee. In the event that Admission does not become effective by the Long Stop Date, any funds received by the Bookrunner from any Certificated Placee shall be returned, without interest, to the relevant drawee bank account.

It is expected that settlement of the Firm Placing Shares will be on 10 June 2026 in accordance with the instructions given by the Bookrunner. It is expected that settlement of the Conditional Placing Shares and any Bookrunner Option Shares through CREST will take place at the time of Second Admission.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above Barclays Bank PLC as determined by the Bookrunner, with interest compounded on a daily basis.

Each Placee agrees that, if it does not comply with these obligations, the Bookrunner may sell any or all of the New Ordinary Shares and Warrants allocated to that Placee on such Placee's behalf and retain from the proceeds, for the Company's account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and shall be required to bear any stamp duty, stamp duty reserve tax or other stamp, securities, transfer, registration, execution, documentary or other similar impost, duty or tax (together with any interest or penalties) which may arise upon the sale of such New Ordinary Shares and Warrants on such Placee's behalf. The foregoing is without prejudice to any cause of action the Bookrunner may have against a defaulting Placee.

If New Ordinary Shares and/or Warrants are to be delivered to a custodian or settlement agent, Placees should ensure that the custodian or settlement agent is notified immediately to the relevant person within that organisation. Insofar as New Ordinary Shares and/or Warrants are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such New Ordinary Shares and/or Warrants should, subject to as provided below, be so registered free from any liability to United Kingdom stamp duty or United Kingdom stamp duty reserve tax. If there are any circumstances in which any other stamp duty or stamp duty reserve tax (and/or any interest, fines or penalties relating thereto) is payable in respect of the allocation, allotment, issue or delivery of the New Ordinary Shares and/or Warrants (or for the avoidance of doubt if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer of or agreement to transfer New Ordinary Shares or Warrants), neither of the Bookrunner nor the Company shall be responsible for the payment thereof. Placees will not be entitled to receive any fee or commission in connection with the Placing.

The rights and remedies of the Nominated Adviser, Bookrunner and the Company under these Terms and Conditions are in addition to any rights and remedies which would otherwise be available to each of them and the exercise or partial exercise of one will not prevent the exercise of others.

Each Placee may be asked to disclose in writing or orally to the Bookrunner:
