Delay in publication of Annual Accounts
Temporary suspension from trading on AIM
Trading Update

SEEEN plc (AIM: SEEN) announces that the audit of its financial statements for the year ended 31 December 2025 (the "Accounts") is ongoing and will not be completed by today, 30 June 2026, being the deadline under Rule 19 of the AIM Rules for Companies. This is principally due to the additional work required following the Group's acquisition of Streaming Limited, trading as MEDIAL, in Aril 2026 and the related post-period review and integration work.

The delay to the publication of the Accounts means that trading in the Company's ordinary shares on AIM will be temporarily suspended with effect from 7.30 a.m. on, 1 July 2026, pending publication of the Accounts. Suspension from trading is expected to be lifted with the publication of the Accounts.

It is anticipated that the Accounts will be published during the week commencing 13 July 2026.

Trading Update

On 28 January 2026, the Group announced that revenue for 2025 was $5.1m, an increase of more than 60% from 2024 and the second year of revenue growth of more than 45%, together with the Group's maiden annual adjusted EBITDA profit and $1.4m in cash.

In the first half of 2026, organic revenue momentum has continued and, as at the end of May, revenue was up more than 40% against the same period last year, before the effects of the MEDIAL acquisition and the Company continues to execute against its growth plan.
