1 September 2026

Aurrigo International plc
("Aurrigo" or the "Company")

Change of Registered Office Address

Aurrigo International plc (AIM: AURR), a leading international provider of transport technology solutions, announces that its registered office address has changed to 2 Woodhams Road, Siskin Drive, Coventry, CV3 4FJ, United Kingdom, completing its relocation to the new UK hub facility first announced in April 2026.

The 130,615 sq ft site, more than three times the size of Aurrigo's previous UK facility, now serves as the Company's global headquarters for advanced engineering, autonomous vehicle development and high-volume manufacturing. The full team has now relocated to the site, with operations up and running across the expanded engineering, design and manufacturing floors.

Prof. David Keene MBE, CEO of Aurrigo International, commented:

"*It's fantastic to see the whole team settled into our new home in Coventry. There's real energy across the site as we ramp up activity in our new facility, and this move gives us the space and capability we need to keep pace with demand.*"

Notes to Editors:

Aurrigo International plc is an international designer and developer of fully integrated smart airside solutions for the aviation industry, including automated vehicles, systems and software.

The Group's proprietary, award-winning autonomous technology and secure management system is supporting some of the world's leading airports. Customers choose to partner with Aurrigo to transform their baggage and cargo handling operations, improving safety, operational efficiencies and meeting sustainability targets, while navigating growing passenger volumes, rising costs and increasing labour shortages.

Headquartered in Coventry, UK with offices in Singapore, Cincinnati and Ottawa, the Group has a 33+ year heritage designing and supplying automotive vehicle OEM's with highly advanced, innovative product and system solutions. For more information, please visit the Group's website at www.aurrigo.com.
