Nativo Launches New Interactive Investor Hub

Platform provides shareholders with a more proactive way of communication and enquiry support

Nativo Resources PLC (LSE:NTVO), a precious metals company with gold mining and processing interests in Peru, announces the launch of its interactive investor hub. For both existing and prospective shareholders, the new investor hub brings all Nativo content into a single integrated platform to better inform and engage with investors and stakeholders, including:

- Regulatory announcements
- Reports
- Presentations
- Educational material
- Interviews
- Corporate research

The investor hub also provides an interactive online experience allowing Nativo stakeholders to comment on and ask the Nativo team questions via a portal which will be monitored and responded to in a timely manner.

How to sign up for the Nativo investor hub:

1. Visit www.nativoresources.com
2. Follow the prompts to sign up for an investor hub account
3. Complete your account profile

Christan Yates, Executive Chair commented:

"Nativo is building an integrated gold business in Peru based around the Company's three core gold strategies: primary gold mining, gold ore processing and tailings reprocessing opportunities.

This is an exciting time in the implementation of our strategies to create value for investors and we want every shareholder to feel part of, at every stage.

Our new investor hub is designed to make that possible: a single destination where the market can follow our news, our strategy and our progress as they happen. We see it as the next step in deepening our relationship with shareholders — one built on transparency, trust and a shared belief in the value of what Nativo aims to create."

About Nativo Resources Plc

Nativo aims to establish itself as a vertically integrated gold mining and processing business in Peru. The Company's strategy is based on developing three core activities: primary gold mining, gold ore processing, and the recovery of gold from tailings. The Company has already acquired or optioned several projects for development and has identified additional opportunities for expansion. Nativo's nearest-term objectives are to establish gold production and develop La Patona Gold Ore Processing Plant to process Nativo's own and third-party material.
