BUILT CYBERNETICS PLC
("Built Cybernetics", the "Company", or, together with its subsidiaries, the "Group")

WRAP Retail Offer for up to approximately £150,000

Built Cybernetics (AIM: BUC), the AIM-quoted Smart Buildings and PropTech group, is pleased to announce a retail offer via the Winterflood Retail Access Platform ("**WRAP**") to raise up to approximately £150,000 (the "**WRAP Retail Offer**") through the issue of new ordinary shares of one penny each in the capital of the Company ("**Ordinary Shares**"). Under the WRAP Retail Offer up to 10,000,000 new Ordinary Shares (the "**WRAP Retail Offer Shares**") will be made available at an issue price of 1.5 pence per share.

At 7:30 a.m. on 8 October 2026 (the "Launch Announcement"), Built Cybernetics announced, *inter alia*, that it had entered into a merger agreement (the "**Merger Agreement**") pursuant to which it proposes to acquire Ecolibrium Inc. ("**Ecolibrium**") by way of a reverse triangular merger under Delaware law (the "**Acquisition**").

In addition to the WRAP Retail Offer and as announced today, *inter alia*, the Company has conditionally raised a total of approximately £2.9 million (before expenses) via a placing and a subscription (the **"Placing and Subscription")** of new Ordinary Shares (the "**Placing and Subscription Shares**" and together with the WRAP Retail Offer Shares, the "**New Ordinary Shares**") at a price of 1.5 pence per Placing and Subscription Share (the "**Issue Price**"). The issue price of the WRAP Retail Offer Shares is equal to the Issue Price.

The Launch Announcement provides further details regarding Ecolibrium, the Acquisition and various other matters and also sets out the terms and the use of proceeds for the Placing and Subscription. The net proceeds of the WRAP Retail Offer will be utilised in the same way as the net proceeds of the Placing and Subscription.

For the avoidance of doubt, the WRAP Retail Offer is not part of the Placing and Subscription. Completion of the WRAP Retail Offer is conditional upon, *inter alia*, the completion of the Placing and Subscription but completion of the Placing and Subscription is not conditional on the completion of the WRAP Retail Offer.

The issue of the WRAP Retail Offer Shares will be conditional upon, *inter alia*, the passing of certain resolutions (granting the Directors authority to issue and allot new ordinary shares otherwise than on a non-pre-emptive basis) to be put to shareholders of the Company at a general meeting of the Company which is expected to be held on 2 November 2026, whereby such authority will be utilised by the Directors to enable the issue of the WRAP Retail Offer Shares. The issue of the WRAP Retail Offer Shares will also be conditional upon the WRAP Retail Offer Shares being admitted to trading on AIM ("**Admission**"). It is anticipated that Admission will become effective and that dealings in the WRAP Retail Offer Shares will commence at 8:00 a.m. on 4 November 2026.

It should be noted that a subscription for WRAP Retail Offer Shares and investment in the Company carries a number of risks. Investors should take independent advice from a person experienced in advising on investment in securities such as the WRAP Retail Offer Shares if they are in any doubt.

An investment in the Company will place capital at risk. The value of investments, and any income, can go down as well as up, so investors could get back less than the amount invested.

Neither past performance nor any forecasts should be considered a reliable indicator of future results.

UK Product Governance Requirements

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraphs 3.5 and 3.6 of COBS; and (ii) eligible for distribution through all permitted distribution channels (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels
