About Bluebird Mining Ventures Ltd

Bluebird Mining Ventures Ltd (LSE: BMV) is a gold streaming, mining and treasury company focused on building long-term shareholder value through disciplined capital allocation into scarce real-world assets.

The Company applies a capital-light streaming and royalty model across opportunities in metals, energy and treasury management, seeking to generate recurring cash flows while maintaining a strong focus on balance sheet discipline and long-term net asset value growth.

Drawing on its heritage in precious metals, BMV aims to develop scalable investment platforms that provide exposure to scarce assets without the operational risks associated with direct ownership or operation.
